

Precursor Sponsors 2nd Annual Consultants Meeting

Contact: Alex Narvey

Precursor Systems is pleased to announce that we are one of five sponsors of the Second Annual ACN Meet 'n Mingle in Toronto.

The ACN Meet ' Mingle was conceived of by four Canadian members of the Apple Consultants Network as a forum for Canadian Apple consultants to meet and network. The first such event took place in March 2009 during Apple Canada's Channel & Consultants Camp (AC4'09) which ran from Mar 15-20th at the Bank of Montreal Institute for Learning in Toronto.

This was the largest gathering of Canadian Apple consultants ever attempted and was attended both by members of the Apple Consultants Network, prospective members, and a large contingent of Apple Canada Sales Administration and System Engineer staff. Precursor.ca founder Alex Narvey acted as the M.C. that first evening.

In addition to Alex from Precursor, this year's sponsors include: Ric Amis of MacTweek (Toronto); Jeff Barrett of MacMedics (Toronto); Sean Costello of IronGate (Ottawa); and, Luis Geraldo of Monkey Consulting (Vancouver).

This year's edition of the Meet 'n Mingle will take place on Wednesday, March 17th as part of Apple Connect 2010. The 2010 version is even bigger and better than before.

"The consultants community in Canada continues to grow and mature," said Precursor founder Alex Narvey, "and I am happy to be able to help foster that growth".

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
