Precursor's Narvey 9 Time Apple Product Professional

Contact: Alex Narvey

Precursor Systems is pleased to announce that for the ninth consecutive year, founder Alex Narvey has achieved the level of Apple Product Professional.

Apple Product Professional is a special designation from Apple's Sales Training department and reflects a high level of achievement in that program.

The Apple Sales Training program includes online courses and web-based seminars, podcasts, videos, and onsite seminars and training conducted throughout the year by Apple's own staff. To achieve the level of Apple Product Professional, Mr. Narvey successfully completed a multitude of online courses supported by web-based seminars, podcasts, videos and pdf documents and participated in various other live events.

"I'm happy to have achieved Apple Product Professional level again," said Narvey, "Apple' has some amazing training materials and programs to help engage with the company's high level of innovation and I am fortunate to take part in them both as an Apple Authorized Reseller and as a certified member of the Apple Consultants Network."

In addition to the sales training, in the last eight years Mr. Narvey has taken fifteen (15) certification exams, attended ten (10) Apple Technical Camps in both the U.S. and Canada, six (6) Apple Expos, and five (5) Apple World Wide Developer Conferences.

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
