

Alex Narvey at ACN Advanced Camp 2013

Contact: Alex Narvey

Precursor Systems is pleased to announce that founder Alex Narvey will be attending Apple Advanced Camp 2013, July 16-19 in Tampa, Florida.

For ACN Advanced Camp 2013, the Apple Consultants Network put together an intense four-day program designed to share best practices in the deployment of mobile solutions under the guidance of expert trainers and leading technology providers.

In addition to covering Apple's own mobile device solutions there will be intensive 3rd party labs in Wireless and Mobile Device Management. Wireless vendors include: Aerohive, Aruba Networks, and Meraki. MDM vendors will include: AirWatch, Fiberlink (MaaS360), and JAMF.

This year's camp features a very heavy schedule with sessions beginning at 8:30 am and continuing until 9:30 pm.

This will be the eleventh Apple Advanced Camp Alex has attended. In previous years, he has participated in Apple Advanced Camps in U.S. locations including Chicago, Santa Clara, and Lake Tahoe in addition to Canadian-based camps in Toronto.

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
