Alex Narvey Attends FileMaker Go Masterclass

Contact: Alex Narvey

Precursor Systems is pleased to announce that founder Alex Narvey will be attending a FileMaker Go Masterclass in Toronto, September 17, 2013.

This FileMaker Go Masterclass is put on under the auspices of FileMaker Canada and will cover an experimented methodology and best practices to create exceptional user interfaces for mobile FileMaker experiences.

'We are very excited about the potential for mobile solutions to run small businesses more efficiently and FileMaker Go for iPhone and iPad is a fantastic tool to help us accomplish this.' said Alex Narvey, 'We have been using FileMaker to run out business since version 5.0 in 1999, and we incorporated FileMaker Go into our workflow as soon as it became available to market in July 2010.'

Alex recently attended FileMaker DevCon in San Diego in July 2013. Precursor Systems has been a member of the FileMaker Business Alliance since 2009.

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
