

Alex Narvey to attend MacADUK

Contact: Alex Narvey

Precursor Systems is pleased to announce that Precursor founder Alex Narvey will be attending the Mac Admin & Development Conference in London, England on February 7th and 8th.

MacADUK, now in only its second year, is a must-attend event for professional Mac Admins and Developers drawing 400 of the world's leading Apple experts from all over the world.

An intensive two stream track this year on security and management run over two days at London's iconic O2 , will allow Mac admins and developers to network, share, discover, compare, meet, learn, hang out and socialize with and from the best Apple techs in the world.

"I'm so pleased to be getting a chance to go MacADUK." said Mr. Narvey. "MacADUK has put together a terrific program this year and I am eager to continue my professional education with so many people from around the world"

"Of course it doesn't hurt that one of my sisters lives in London!" he added.

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
