Precursor's 25th Anniversary!

Contact: Alex Narvey

Precursor Systems is proud to announce that 2019 will mark our 25th year in business!

As the boilerplate of every prior press release has mentioned: *Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.*

The world of Apple technology has changed a lot in 25 years but Alex Narvey has kept up his chops by attending a wide variety of training and conferences – which you will be familiar with if you read our press releases or receive our Précis newsletter.

“Being a *Mac* guy is as fun as it ever was!” gushed Precursor Systems founder Alex Narvey, “Perhaps more so with the introduction of the amazing macOS Mojave late last year.”

To celebrate our 25th anniversary we have a variety of events and activities planned which we be announcing over the course of the coming weeks and months.

Stay tuned to <https://precursor.ca/25> in 2019 for the latest details!
