

## Precursor's Virtual Therapy Dog

Contact: Alex Narvey

Precursor Systems is pleased to announce that company mascot *Lucy the Labradoodle* will be hosting a Virtual Therapy Dog session on Zoom for clients who miss seeing her because of Work from Home impositions.

Like most of you we are Working from Home now and Lucy is unable to make her rounds. Pre-COVID she was visiting around 15 of our clients regularly and enjoyed all the treats and toys provided for her.

To help alleviate your stress, and to get you used to Zoom, we thought it would be a good idea for Lucy to host a Zoom meeting and we announced it in the latest Precursor Précis newsletter earlier this week.

You will need to install Zoom for Meetings (which does not require admin access to your computer):
