

Alex Narvey Attends FileMaker DevCon 2013

Contact: Alex Narvey

Precursor Systems is pleased to announce that founder Alex Narvey will be attending FileMaker DevCon, August 12-15 in San Diego, California.

FileMaker's annual developer conference features 80 sessions on topics that cover core basics, design, development, integration, the web, iOS, and business. The focus is on new, innovative technologies in the FileMaker Platform and how to build powerful, robust solutions for iPad, iPhone, Windows, Mac and the web.

This conference includes in-depth sessions, case studies, roundtable discussions, face-to-face consultations, and opportunities to network with many FileMaker staff and other experienced solution developers.

Alex last attended FileMaker DevCon in Phoenix in 2008. Precursor Systems has been a member of the FileMaker Business Alliance since 2009.

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
