

Precursor Systems Sponsors MNM

Contact: Alex Narvey

Precursor Systems is pleased to sponsor Manitoba New Media Group.

The Manitoba New Media Group is one of the best resources in the province for digital professionals. While the group's informative meetings have always been open to the public, MNM has recently developed a great membership package for added benefits and it only costs \$20/year!

To aid the MNM membership drive, Precursor Systems will be giving away a free Apple iSight teleconferencing camera at each MNM meeting this Autumn. (Retail value is \$219). Anyone in attendance at MNM's September meeting will be eligible. In future, paid membership will be required to be eligible for the iSight draw. Many other discounts are available to MNM members –check out the MNM web site for details.

The Manitoba New Media Group targets users in the Graphic Arts, New Media, and Video Industry. MNM's goal is to develop a relaxed atmosphere for people to ask questions, share ideas and discuss issues relevant to their industry. All are welcome to attend MNM monthly meetings.

More information is available at the MNM web site:
