Precursor Systems Authorized for XServe

Contact: Alex Narvey

Precursor Systems is pleased to announce that we have been authorized as a Value Added Reseller of Apple's XServe, XServe RAID and the Mac OS X Server product lines.

Precursor has been an Authorized Apple Reseller since 2003 carrying Apple's consumer and pro lines including Power Mac G5, PowerBook, iMac, iBook, iPod, and iPod mini. In addition to our Authorized Reseller status, Precursor Systems is proud to have been a member of the Apple Consultants Network since its inception.

With XServe and other Apple server products under our belt we can design and custom configure a powerful and versatile Mac OS X Server to meet the most demanding needs of Platform Integration, QuickTime Broadcasting, File and Web Services, and more.

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
