

Precursor Systems Announces Fall Specials

Contact: Alex Narvey

Precursor Systems is pleased to announce two promotions this Autumn.

1) Where Did the Computer Go?

Why spoil your desktop with a computer and cables? Apple has obliged us by building the computer into the 2" thin screen of the new iMac G5. Now, Precursor Systems will help you complete the transformation of your desktop by getting you Apple's optional internal Bluetooth module for Free!

Until November 30'th you can order a Build-to-Order iMac G5 from Precursor Systems with the Apple Wireless Keyboard and Apple Wireless Mouse and we'll throw in the Build-To-Order internal Bluetooth Module for Free! (a \$70 value).

Complete details are available at: <http://imac.precursor.ca/>

2) Subscribe to Précis; Win a Free iPod Mini

Until November 30'th, subscribers to our new newsletter, Precursor Précis, will be entered in a draw to win a free iPod Mini.

Precursor Précis is a short and concise emailed newsletter that will keep you informed and up-to-date on Apple products, Technical issues, Special offers, and Precursor events. Precursor Précis will appear in your inbox every 3-4 weeks. Best of all, it's free!

Subscribe now at: <http://precis.precursor.ca/>

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
