

Precursor Celebrates 10 Years

Contact: Alex Narvey

Precursor Systems is pleased to announce our long overdue 10th Anniversary celebrations.

After three years of talking the talk we are finally walking the walk!

Entitled *10 Year Party; three years tardy!* the celebrations will take place March 29th and will include an entire afternoon and evening of events including two seminars, a panel discussion/game show, and a reception.

All events will be held at the fabulous Forks Ballroom at Inn at the Forks.

Precursor has set up special web site detailing all the proceedings and to accept registration for the events:
