Precursor Presents Security & Your Mac Seminar

Contact: Alex Narvey

As part of our long overdue 10th Anniversary celebrations, Precursor Systems will present a seminar entitled Security & Your Mac.

On March 29th, 2007, Precursor founder Alex Narvey will present a seminar entitled Security & Your Mac.

This two hour seminar will review the range of security issues that Mac users are confronted with in today's computing environment with specific attention to how they relate to Macintosh computers and Mac OS X. Featured Solutions will include Mac OS X File Vault, 2 Factor I.D., tokens, encryption, passwords, certificates, and public/private keys.

Attendees will learn security best practices to help secure your computer, data, backups, archives, email and internet activity.

The events will be held at the fabulous Forks Ballroom at Inn at the Forks as part of an afternoon and evening of 10th Anniversary celebrations for Precursor Systems.

Seminar pricing is $90 (Precursor Support Contract customers may purchase tickets for $70)
Early Bird pricing is available before March 9 for only $70 (Precursor Support Contract customers may purchase Early Bird tickets for $45)

Precursor has set up special web site detailing all the proceedings and to accept registration for the events:
