Contact: Alex Narvey

Precursor Systems is pleased to announce a contribution of \$133.24 to the Canadian Museum for Human Rights.

As part of the Precursor Systems long overdue "10th" Anniversary celebrations held on March 29 (*10 Year Party; three years tardy!*), Precursor Systems raised \$66.62 for the Canadian Museum for Human Rights at the Forks.

We are pleased to announce that we will match that sum and so a contribution of \$133.24 will be made to the Canadian Museum for Human Rights.

The mission of the Canadian Museum for Human Rights is to advance understanding and support for human rights in Canada and throughout the world.
