

Precursor.ca Becomes Apple VAR

Contact: Alex Narvey

Precursor Systems is pleased to announce that we are now designated as an Apple Authorized Value Added Reseller.

After more than five years as an Apple Authorized Reseller, Precursor.ca, Inc. has met a stringent set of criteria and has been designated an Apple Authorized Value Added Reseller for networking and integration.

According to Apple: "Independent Apple Value Added Resellers (VARs) are professionals authorized by Apple to deliver customized, market-specific solutions. Combining their technical knowledge with industry experience, Independent Apple Value Added Resellers can help you simplify and enhance your technology—leading to improved business processes and increased success."

Working with an Independent Apple Value Added Reseller offers:

- Customized multi-platform solutions
- Professional, industry experience
- Apple trained and certified expertise
- Proficiency in Apple and complementary products
- Additional services to support your business

"As an Apple Value Added Reseller, we bring even more to the table to as we strive to meet our customers' evolving I.T. needs." said Precursor founder Alex Narvey.

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
