Contact: Alex Narvey

Precursor Systems will be participating in the Apple Resellers' Summit August 20th and Apple Expo Canada 2009 on August 21st.

The ChannelNext Apple Resellers Summit 2009 is now in its second year. The reseller only event offers keynote presentations from Apple Canada, panel and discussion groups from industry experts, and seminars from key vendors into the channel.

This year, TechnoPlanet Productions has created a companion event for the general public called Apple Expo Canada 2009. Vendors presenting to the ChannelNext Resellers conference will put on a one day exposition with display booths and seminars for the general public at the old distilleries district in Toronto.

Precursor founder Alex Narvey will be manning the Apple Consultants Network booth during the Expo so feel free to stop by if you are in Toronto that day.
