

Precursor's Narvey Attends SharkFest '11!

Contact: Alex Narvey

Precursor Systems is pleased to announce that, company founder Alex Narvey will be attending SharkFest '11 at Stanford University in Palo Alto, California (June 13-16).

SHARKFEST is an annual gathering, instantiated in 2007, with the purpose of providing a forum for knowledge-sharing between the global Wireshark and Open Source development community and users of the world's most popular and widely-deployed network analyzer. Participants receive a rich educational experience, allowing all to extend their use of Wireshark and other Open Source tools to make the most of their data analysis experiences and existing network infrastructure.

This is Mr. Narvey's first trip to SharkFest and he is really looking forward to it.

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
