

Precursor Celebrates 20th Anniversary

Contact: Alex Narvey

Precursor Systems is pleased to celebrate 20 years in business as Winnipeg's preeminent Mac-based consultant.

"It was twenty years ago today..." that Alex Narvey founded Precursor Systems.

In the words of our inaugural press release from March 10, 1994: *The new company – a freelance computer consultancy – will offer support to small and medium sized businesses and individuals who rely on computers in the Desktop Publishing, Printing, Prepress, and Digital Imaging and Video fields.*

Precursor has been providing Precursor Support Plans to small business ever since. Our clientele include businesses in Advertising, Architecture, Branding Strategy, Distribution, Financial Services, Graphic Design, Manufacturing, Medical, Military, Publishing, and Retail. And we even have SOHO customers too.

We are proud to say that our longest term clients signed up for a Precursor Support Plan over 18 years ago and our two newest clients signed up in the last month!

In addition to our Support Plans we offer solutions for : Backup, Email & Collaboration, FileMaker Development, Security & Mobility, Switching to Mac, and Windows Integration.

Precursor has been a certified member of the Apple Consultants Network since 1996 and member of the FileMaker Business Alliance since 2008.
