Precursor's Narvey on Command-Control-Power Podcast

Contact: Alex Narvey

Precursor Systems is pleased to announce that company founder Alex Narvey will be the guest on the Command-Control-Power podcast on Tuesday, April 28th.

Command-Control-Power is a weekly podcast hosted by three certified members of the Apple Consultants Network (ACN), drawing from over 30 years combined experience operating technology consulting practices. The Podcast, hosted by Joe Saponare of PsiMac, Sam Valencia of HCS Technology Group, and Jerry Zigmont of MacWorks often features interviews with "esteemed ACN colleagues".

On Tuesday, April 28th Mr. Narvey will be interviewed about Redundant Arrays of Independent Servers and Precursor's R.A.I.S. web site <<http://rais.precursor.ca/>> which has become a resource in the Mac consultant community for those seeking to provide greater redundancy in Small Business Mac-based server environments.

Interested parties can "tune-in" at: <http://commandcontrolpower.com/>

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
