

Precursor a Mosyle ACN Certified Admin

Contact: Alex Narvey

Precursor Systems is pleased to announce that company founder Alex Narvey is now a Mosyle ACN Certified Admin.

Alex has completed the training and certification to be capable of deploying, managing, and enrolling Apple devices using Mosyle Business MDM to provide the best experience possible and to leverage Apple products for our clients.

Mosyle Business is a powerful and flexible Mobile Device Management (MDM) solution that brings added security and productivity to the modern Apple eco system. Mosyle Business offers the Enterprise level feature set often associated with costly Jamf Pro product line and delivers it in a cost effective way that even the smallest business can afford.

"Mosyle has a great partnership with Apple and with the Apple Consultants Network," said Alex Narvey, "Mosyle is not only an Apple specific MDM but they are focused on working with certified members of the Apple Consultants Network. Its a great fit not only for us but for our clients!"

Precursor Systems was founded in March 1994 by Alex Narvey to provide support for computer-based professionals in the Publishing, Printing, Prepress, Digital Imaging, Audio and Video industries.
