## Precursor Systems New Internet Domain Name

Precursor Systems has applied for and received a change of domain name on the internet. You can now reach Alex Narvey by internet e-mail at [anarvey@precursor.mb.ca](mailto:anarvey@precursor.mb.ca).

---

## Monotype Lowers Prices; Adds Fonts!

Monotype Typography has added 200 new fonts and lowered PostScript font prices. All PostScript font packages have been reduced up to 25% until June 30. In addition to these special prices, all new Adobe releases (packages #361-386) and all multiple master packages are just \$69 for a limited time. Read all about the deals on-line in [News:Press Releases](#).

## Adobe Rebrands Persuasion, Fetch, After Effects!

Adobe continues its rebranding program by repatriating Aldus Persuasion, Fetch and After Effects. Update and feature info are available on-line in our [Files:Adobe Stuff](#) conference.

---

## News Area Continues To Grow!

The Precursor BBS News area continues to grow with nearly two dozen high quality e-zines. We have added some excellent electronic magazines over the last few weeks and would like to make you aware of them. **MacArt Magazine** is an MS Word format monthly that details the use of artistic programs such as Photoshop. **@Type.New** is a DOCMaker format monthly that reviews new font releases and covers the use of Fontographer. **Mac\*Chat** is a weekly setext format newsletter written by a San Franciscan graphics consultant. Novell Tech Support now offers the monthly **Word Perfect Mac News**. And don't forget to check out our newest addition, **Acropolis**, a magazine dedicated to the use of Adobe Acrobat in electronic publishing.

## DoubleClick Markets E Versions!

DoubleClick software is now marketing directly to Mac owners with electronic versions of its stable of Mac programs. Look on Precursor BBS for the [Files:Demo Stuff](#) area to get a hold of demo versions of MenuFonts, ClickChange, and IconMania. If you like the demos you can unlock the version by calling DoubleClick and paying only \$39 (U.S.) per program.
