## Macromedia Flash 5

Macromedia has announced that Flash 5 will ship in September. The upgrade gets a redesigned interface, new creative tools, extended support of ActionScripts, and Movie Explorer, a new way to see all the components in a project. Registered users of Flash will be able to upgrade for \$149 US; the Flash 5 FreeHand 9 Studio will cost \$599 US and upgrades to the Flash 5/FreeHand 9 Studio will be \$249 US. The free Macromedia Flash 5 Player is already in public beta, and is expected to be available in late August.

## Photoshop Altivec Plugins Update

Some Photoshop filters have access to a G4 Velocity Engine. This update improves performance. If you don't have a G4 you don't need the update.

## Apple iMovie 2.0.1

Apple already has a fix for iMovie 2 which is included on every new iMac, Power Mac G4 and Power Mac G4 Cube. iMovie 2 will also be available commercially from the Apple Store in September. The 2.0.1 updater works only on version 2.0.

<http://asu.info.apple.com/swupdates.nsf/artnum/n11789>

iMovie 1.02 is still available as a free download (Apple says it requires a Power Mac G4 or PowerBook FireWire but reports say it works on other machines).
