Microsoft Ships Office 2001

Microsoft is now shipping Office 2001 with many new Mac-only features. A new application – Entourage personal information manager– joins the Office suite. Precursor is pleased to offer this product for \$749. Upgrades from earlier versions of Office are available for \$449.

Microsoft has added a page of free Office 2001 Extras and Tutorials to its web site:

Photoshop 6 Installation

Unlike previous versions of Photoshop which only required a serial number or perhaps the last previous version on the hard drive to perform the upgrade installation, the new Photoshop 6 upgrade requires an original Photoshop 4.0 CD! If you have lost your original version 4 CD you can still install version 6 by option-clicking on the “eye” image and typing in an installation code you receive from Adobe via telephone.
