

Extensis Suitcase 10.0.1

Extensis has made a minor revision to the new Suitcase 10 in order to integrate the Illustrator Auto-activate plugin. Suitcase 10 offers auto-activation, support for Multiple Master fonts, and a very handy Control Strip module.

Quark Discount for PageMaker Users

Need an extra copy of Quark? Quark is offering a big fat discount to owners of PageMaker. The price of \$499 US is about half of the standard Canadian retail price of \$1399 CDN. The offer expires September 28 — just in time for the company to make some sort of announcement about Quark 5 at Seybold..
